

**Written Assignments**

1. Written Assignments will be due both at the beginning and at the end of each Laboratory Section Meeting. You must be present during the Laboratory Section Meeting for the Assignment to be accepted. Late Assignments will be accepted only for excused absences.
2. At the beginning of each Laboratory Section Meeting, you are to turn in written answers for two of the Exercises from the previous period. The Exercises to be completed are listed on the back of this page. Answers that do not display the process by which they were obtained will be returned for further work. Each set of Exercises is worth 1/2 point.
3. An Activity Sheet is to be turned in at the end of each Laboratory Section Meeting. Each Activity Sheet is worth 1 point.
4. For Wednesday periods following Group Meetings at which a video has been shown, write at least two paragraphs summarizing the video and what you see as the major issues presented by the video. The first assignment of this type is due on Wednesday, June 24. While watching the videos, you should take notes to prepare for these assignments. Each of the eight Video Summaries is worth one point.
5. The combined points from written assignments (Exercises, Laboratory Section Meeting Activity Sheets, and Group Meeting Video Summaries) is 35 points.
