

**Instructor:** Professor Douglass Schumacher.

Office: 1106F Smith Laboratory. Phone: 292-7035. E-mail: dws@mps.ohio-state.edu.

Office hours: *To be announced.*

**Text (required):** Fundamentals of Physics and Problem Supplement #1, Sixth Edition, Halliday, Resnick & Walker. Reading assignments are listed by section in parentheses after each lecture on the next page and should be completed before the lecture.

**Laboratory Manual (required):** Laboratory Manual: Physics 132.

**Grades:** Homework (50); Lab (100); Quizzes (150); Midterm I (100); Midterm II (100); Final Exam (200).

**Laboratory:** The first lab begins the week of Monday, April 4. The labs are listed on the next page and you must bring the lab write-up from your lab manual for each week. The lowest scoring lab is dropped.

**Recitations:** Homework assignments are turned in here. Quizzes, Midterms, and the Final are also held here.

**Homework:** The weekly assignments are listed on the next page: "Q4, 13" means question 4 and problem 13 from the text; "SQ4, S13" means question 4 and problem 13 from the text supplement. The homework assignments are collected on Tuesdays.

**Quizzes:** There are seven, but the lowest one is dropped. No notes are allowed and a calculator is required.

**Exams:** No notes are allowed and a calculator is required, but an equation sheet will be provided.

**Missed Quizzes, Exams, or Labs:** There are no make-up quizzes or exams. Missed quizzes and exams may be excused and missed labs may be made up while the apparatus remains in the lab -- but only with permission of Dr. Adelson (phone 292-2067; e-mail adelson@mps.ohio-state.edu; room 1036A, Smith Laboratory). Present documentation to him to verify that your absence was unavoidable.
