

SUMMARY OF COURSE POLICY

PHYSICS 131-132-133

FAST FACTS

- Quiz Excuse:** Contact the P13x Course manager within two weeks from the date of the missed quiz.
No Make-ups: A single missed quiz is dropped automatically, *regardless of reason or circumstance*.
Multiple missed quizzes are excused only with valid documentation.
- Lab Excuse:** Contact the P13x Course manager within two weeks from the date of the missed Lab.
No excuses to miss your regular lab time for an exam or lab in another course.
No Make-ups: Some lecturers allow one lowest lab to be dropped; if this is the case for your course, the first missed lab is dropped automatically.
Multiple missed labs excused only with valid documentation.
- Lab Make-Up:** No Lab make-ups allowed under any conditions.

What if I Skipped a Quiz or Lab, and Then Missed Another One for a Valid Reason?

ALL missed quizzes, or labs (if one is automatically dropped), will be considered if more than one is missed. Those with valid documentation will be excused.

- Missed Midterm:** No Make-ups. If a student is absent when a midterm is given, the midterm grade will be 0. If the student's absence is excused, a grade for the missed midterm is replaced by a prorated final exam grade. The absence must be excused within two weeks of the midterm.
- Missed Final Exam:** If a student is absent when a final exam is given, the student must seek permission to take a make-up final exam; otherwise, the final exam grade will be 0. Permission to take a make-up final exam will be granted if the student has a valid reason for the absence and is passing the course. The final exam must be made up so that a course grade can reach the registrar prior to the seventh Friday of the succeeding quarter.
- Other Exam Problems:** Must be reported to the P13x Course Manager within 24 hours of the exam.
- Early Final Exam:** FINAL EXAMS ARE NEVER GIVEN EARLY.
- Homework:** Because a week is given to complete each homework assignment, deadline extensions are not granted for last minute illnesses or computer failures. A request for a homework excuse must be in within one week of the missed homework.

Only course supervisors have the authority to grant excuses.

COURSE MANAGER: Dr. Michael Ziegler, (ziegler.2@osu.edu), SM 1036A, 614-292-2067.

- Regrade Request:** Must be made within one week of return of a quiz or midterm, and no more than two weeks after the exam has been returned to the rest of the class. Request forms are available on a P13x webpage, and by room 1011V Smith Lab.
