

Letter of Recommendation

Undergraduate Summer Research
Opportunities in Physics
at Ohio State University: REU/OSU
June 11 -- August 17, 2001

Please provide an assessment of _____ who is an applicant for the Ohio State University Physics Summer Institute, a research opportunity for students who have an interest in a career in science. Please indicate the student's scientific ability and potential. Can the student work independently? Does the transcript give an accurate reflection of the student's abilities?
